# SKILLS AND JOBS CENTRES

## **Working for Victoria** – [vic.gov.au/workingforvictoria](https://vic.gov.au/workingforvictoria)

Victorian State Government Initiative helping Victorian jobseekers to find work and employers find workers. Available to all people who have lost their jobs or businesses who need more workers due to the impacts of COVID19.

## **Jobs Hub** – [dese.gov.au/covid-19/jobs-hub](https://dese.gov.au/covid-19/jobs-hub)

Australian Government support for jobseekers and employers to connect in a rapidly changing job market. Jobseekers can explore available job opportunities and use online tools to identify similar jobs- matching individual skills to a broader range of options.

## **Job Jumpstart** – [jobjumpstart.gov.au](https://jobjumpstart.gov.au)

Contains tools and tips for jobseekers, including how to improve job search and application skills. Includes useful COVID-19 article series with information on current job opportunities, online training advice and skills assessments focused on helping displaced hospitality and retail workers.

## **Labour Market Insights** – [labourmarketinsights.gov.au](https://labourmarketinsights.gov.au)

Provides research and analyse employment dynamics across groups, industries, occupations and regions.

- Stay up-to-date with conditions in your local labour market
- Identify jobs and skills in-demand
- Understand employer needs and recruitment trends
- Explore the trends impacting the jobs market now and into the future.

## **NEIS** – [employment.gov.au/self-employment-new-business-assistance-neis](https://employment.gov.au/self-employment-new-business-assistance-neis)

For those interested in starting their own business, this website provides information on the support that may be available through 'New Business Assistance' with NEIS

## **Victorian Skills Gateway** – [skills.vic.gov.au](https://skills.vic.gov.au)

## **My Skills** – [myskills.gov.au](https://myskills.gov.au)

Dedicated to the exploration of vocational education and training (VET) courses and providers throughout Australia. These websites provide guidance on the range of VET courses available, average training fees and a list of training providers who deliver each course, including RTOs who are able to offer government-subsidised training.

## **Course Seeker** – [courseseeker.edu.au](https://courseseeker.edu.au)

Exploring higher education study options, including short courses. Provides course information, entry requirements, admission processes and student satisfaction survey results for all undergraduate courses offered by Australian higher education institutions, to help prospective students make informed decisions about future study.

**NEED HELP?** Contact the Skills and Jobs Centre at [sjc@vu.edu.au](mailto:sjc@vu.edu.au) to speak with one of our Career Advisors, or visit [www.skills-jobs-centres.com.au](https://www.skills-jobs-centres.com.au) for more information
